## 2007 Clair A Hill Fish Plant Lake List

<b>Deer</b>	<b>Summit</b>	<b>Diamond</b>	<b>Ward</b>	<b>Horseshoe</b>
<b>Landers</b>	<b>Union</b>	<b>Foster</b>	<b>Stoddard</b>	<b>Big Boulder</b>
<b>Little Boulder</b>	<b>Tangle Blue</b>	<b>Upper Deadfall</b>	<b>Middle Deadfall</b>	<b>Lower Deadfall</b>
	<b>Big Bear</b>	<b>McDonald</b>		

We have more lakes than in previous years. We will be hauling 50,000 fingerlings +/- this year. The issues involved were discussed at the monthly board meeting and feel we can make accommodations at Alan's to handle the increase in work and the people that will be required to make it successful. Please signup if you are interested in helping out. There is plenty of work for both packers and non-packers. Please contact Larry or Rose Shuman at (530)527-8907 for more information and to signup. We need to know in advance so we can order the food, drinks, and supplies. Please provide as much of the following information as you can when you signup:

1. Will you be there both days?
2. How many in your party?
3. How many riding stock, how many pack stock.
4. Can you help with meals or cleanup?
5. Do you have any hidden talents you wouldn't mind sharing, singing, poetry, etc.

If you have never participated we do have toilets and showers available. Because of the limited water supply we ask that you do not rinse/cool down your stock. Water tanks will be setup and filled during the day for your stock to use so the impact to the water supply will be minimal.
